### Change Your Water, Change Your Life!

Since 1976, my father, Dr. Martin, has been preaching "It's the water; It's the water!" Most people drink nowhere near enough water and the water they do drink is oxidizing, acid (low pH) and contributes to premature aging. He has proven this in thousands of clinical cases. Today, acidity abounds due to improper eating and drinking habits. This acidity sets the stage for almost every illness you can name. You will be amazed at the health goals you can achieve when acidity is no longer ruling your body.

### Lab Tests Confirm:

The IonPod® Increases the Alkalinity of tap water in under 5 minutes!
